

Why People Struggle to Get a **JOB**

It's not about motivation—it's about barriers

SKILLS MISMATCH

Job seekers lack credentials or up-to-date skills employers require.

JOB SEARCH GAPS

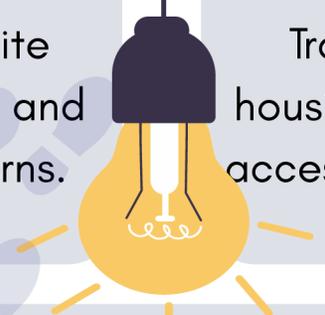

Generic applications, weak interviews, and limited networking reduce hiring success.

SOFT SKILLS

Employers consistently cite reliability, communication, and professionalism as concerns.

LIFE BARRIERS

Transportation, childcare, housing, justice involvement, or access to technology can stand in the way.

OUR SOLUTION

Integrated workforce programs that combine skills training, personalized case management, and barrier removal—connecting job-ready individuals to sustainable employment.

LET'S REMOVE BARRIERS TOGETHER.
