

# Decoding Credit

Our **Your Money, Own It** webinars and in-person classes are presented by real people (our associates). We know the financial world is confusing, that's why we want to help with explanations in simple terms you can relate to. The best part? Our webinars and classes are totally free.

**March 25th | 10am-12pm**

River Valley Resources  
100 E Second St.  
Madison, IN 47250
