

# BUILD YOUR CNC WORKFORCE WITHOUT THE HEADACHE

## River Valley Resources is now a registered **APPRENTICESHIP SPONSOR**

**River Valley Resources (RVR) is now a Registered Apprenticeship Sponsor for CNC Operators — and employers can partner with us to build and register their own RAPs.**

As a sponsor, RVR handles the heavy lifting: program development, compliance, coordination, and ongoing support. Employers gain a streamlined path to grow a skilled workforce without navigating the process alone.

### **What RVR Provides Employers:**

- ✓ A fully supported Registered Apprenticeship framework
- ✓ Guidance on standards, registration, and compliance
- ✓ Access to candidates gaining in-demand CNC skills
- ✓ A sustainable pipeline of trained, job-ready talent
- ✓ Providing all the paperwork, registrations, compliance, and data tracking.

Whether you're expanding your workforce or strengthening your training strategy, RVR helps you build a high-quality apprenticeship program that meets industry needs.
