

YOU'RE INVITED

EMPLOYER ENGAGEMENT **Lunch & Learn**

When employers prioritize building a sustainable workforce, the effort often starts—and stops—with improving onboarding or providing basic skills training. That leaves the development of advanced skills to time, chance, and individual initiative.

The reality is that most employers struggle to develop and manage advanced skills training that must be executed in the workplace... **ON THE FLOOR**

Keynote Speaker
Montez King
NIMS Executive Director

Join **NIMS** and **River Valley Resources** for a fun and informative convening to discover how you can take advantage of our On-the-Job Training (OJT) expertise to help you build mission-critical training programs needed to truly develop a skilled workforce.

AND... learn how to recognize your advanced training programs as a DOL **APRENTICESHIP** to tap into free resources and subsidies that can help offset your training costs
